In fact, no rejection currently stands pending. Applicants expressly does not disclaim any subject matter as a result of such claim amendment or claim cancellation. Applicants expressly reserves the right to prosecute such subject matter or any other subject matter supported by the Specification in one or more continuation applications.

Examiner Interview

Applicants thank the Examiner for initiating an Examiner Interview with Applicants' representative on November 9, 2007. During the Interview the Examiner suggested that claim 29 be canceled allegedly due to a mixture of system and method claim elements. While Applicants disagree with this assessment, Applicants nonetheless have amended claim 29 solely for purposes of expediting prosecution of this application. Applicants request that the Examiner pass all the pending claims to allowance.

Conclusion

The application is in condition for allowance. Notice to that effect is respectfully requested.

If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.

Dated: November 14, 2007
